Strategy

- Plunge for 2 & 3 lanes and shoot lanes 1 & 4 with flippers
 - Plunging for 1 & 4 can lead to SDTM drains - look out!
 - **1 Lane is especially deadly!!**
- Shoot drop targets
- When banks are complete, shoot bullseye
 - Can be super deadly! SDTM! Gotta be done though...
- Complete 1-2-3-4
- **Outlanes also score lit bonus value. Always drain down outlanes!**

There is no end of ball bonus. All bonus referred to in game is for drop target value.

Tilt ends game.

Remember to test tap pass before plunging.
